During the term of the parties’ initial collective bargaining agreement (CBA), the Labor-Management Committee shall meet to discuss a process for reviewing the impact of Artificial Intelligence (“AI”) on bargaining unit librarians and the University.

If concerns arise regarding the use of AI at the University, the parties agree to discuss those concerns in the Labor-Management Committee. As part of that discussion, the University may also consider guidelines proposed by the Labor-Management Committee regarding the use of any specific program or tool that uses AI.
